

**Signing of an important MOU between Chaudhary Charan Singh  
University, Meerut and Minin Nizhny Novgorod State Pedagogical  
University, Russia**

Chaudhary Charan Singh University, Meerut (U.P.) is one of the leading universities of India. Under the International Cooperation Program of University, students of diverse backgrounds from all over the world can take admissions in the courses of their choice, offered by the University. In a step towards Internationalisation, the University has signed several MOUs with International universities of repute for exchange of faculty, students, culture, knowledge including Indian Knowledge System. Presently, the University has 15 active MOUs.

Recently, the University has signed a very important MOU with Minin Nizhny Novgorod State Pedagogical University, Russia. The mutual agreement was signed by the Rector of Minin University and the Vice-Chancellor of Chaudhary Charan Singh University at Raj Bhawan, Lucknow in the presence of Honorable Governor and Chancellor of Chaudhary Charan Singh University, Smt. Anandiben Patel. The Vice-Chancellors of all the Universities of Uttar Pradesh also witnessed this historic event. The agreement focusses on transfer of knowledge and expertise through student and faculty exchange, joint research and training programmes, conferences and opening of international study Centre of both universities in other parties' campus.

Honorable Governor congratulated both the Universities on signing of MOU. She appreciated the efforts and encouraged to work even harder and make more international collaborations and enhance international ranking. She also advised to organise online Russian classes so that students of other universities of Uttar Pradesh can also avail this opportunity.

*“In September Minin University launched the Exchange Center for Open Education in Russian and Russian Language Teaching based at Chaudhary Charan Singh University (CCSU) in the Republic of India. Thanks to Mrs. Anandiben Patel, Governor of Uttar Pradesh State, we were able to present the Center's capabilities to Vice-Chancellor's of 30 universities as well as school principals of Uttar Pradesh. And now our teachers will introduce Russian language and culture to the students. We also plan to carry out educational workshops for schoolchildren and students of other universities in order to show them the beauty and richness of the Russian language. Our specialists will also teach advanced training courses for Indian teachers,”* stated Dr. Viktor Sdobnyakov, Rector of Minin University.
